Eve Anderson Recruitment acquires IT recruitment agency, Caribbean Resourcing Solutions

PORT OF SPAIN, Trinidad and Tobago (May 23, 2016) – Eve Anderson Recruitment Limited today announced the successful acquisition of I.T Recruitment agency, Caribbean Resourcing Solutions Limited (CRS) focused in the Manufacturing, Construction, Energy and Petrochemical industries. This partnership marks a positive move for Eve Anderson to specialise in I.T recruitment as Trinidad and Tobago continues to serve as the regional hub for global businesses seeking to set up or do large projects across the Caribbean and neighbouring Latin American countries.

“We are excited to be expanding our recruitment services in I.T and continue our efforts to build our capacity to serve businesses across the Caribbean region,” said Maria Chong Ton, CEO for Eve Anderson Recruitment. “We look forward to connecting businesses who are searching for professionals in technology field and within their specific industry to take them forward.”

For over 45 years, Eve Anderson Recruitment (formerly Eve Anderson Associates) has connected businesses with jobseekers across all industries in Trinidad and Tobago and on several contract projects across the Caribbean. Since they rebranded in 2013 with new Chairman, Angela Lee Loy, Eve Anderson’s services expanded to headhunting and interim-management recruitment, payroll and compliance background checks for key industries.

“I am delighted that CRS has aligned itself with another forward thinking company which will add a unique value for our clients in Trinidad & Tobago and throughout the region. Our combined years of experience and expertise ensure that we cover every aspect of recruiting and now offer an unbeatable range of services to our candidates and clients.” said Susan Hale, CEO for Caribbean Resourcing Solutions Limited and now a Non-Executive Director to the company.

This year, Caribbean Resourcing Solution marks its twentieth anniversary. The company launched in April 1996 and was the first I.T recruitment agency solely focused on search and selection for professionals in the I.T field in the Caribbean. The company has built a reputation for permanent recruitment and contract resourcing in the Energy sector. Over the years, CRS has successfully supplied professionals to companies in Barbados, Jamaica, St Vincent, Mustique Island and The Bahamas.

“We look forward to collaborating with Susan during this exciting time and building long term strategic plans to attract technology companies and professionals in Trinidad and Tobago and across the region.” said Angela Lee Loy.
